

Chain Reaction has managed to procure a skid load of the much loved Skratch Anytime Energy Bars at an extremely discounted price. These all have "best before" dates ranging from mid May to Early June. Still lots of life left in them!

The regular price for a box of twelve is \$44.99. But we are offering boxes to VCC members - exclusively - right now for \$24 each. We have 10 boxes of each flavour:

- Cherry Pistachio
- Almond Chocolate Chip
- Peanut Butter & Strawberries
- Raspberries & Lemon.

If you want any of these, please send an email to crbicycles@yahoo.ca with your order and we'll put them aside. (Full boxes only, no mixing and matching.)

We'll give the club a week to place orders before we open up to anyone else. (Who am I kidding..... anything VCC members don't take will be gobbled up by the staff in split seconds. Ha.)
